PROFILE

Hi, my name is Tran Van Hoa, I'm Hoa, a young programmer in Hanoi.

I am a hard-working, highly responsible and adaptable person. After two years as a website and mobile application programmer, I can work fluently in many languages and platforms, capable of working with Apple Developer, Google Play Console and some other programs. In the next 2 years, I want to become a senior in the field I pursue, become a team manager and create many quality products with my team.
